

Le Claire

July 19, 1952

Dear Mrs. Stuff,

Enclosed are a number of claims for you to sign and return right away. I'm completely out of yours, so I need one for your July check.

I'm leaving on vacation Monday; but your requests and other business will be taken care of as usual.

I'm also enclosing a few book cards, together with a new one for WINTER WEDDING. Will bring more when I come through.

Under separate cover several requests have been mailed for you today. I'm enclosing your reserve slips for titles which are not available.

I notice that Le Claire is planning a celebration of some sort to be held soon, but at the moment the dates have escaped me. Be a parade a part of the program? If so would it be possible for you to get hold of a truck for a float? We are running a float in the parade in Blue Grass tomorrow, and it has occurred to me that perhaps Le Claire does something of the same sort. We could use the same thing there. We are also drifting the bookmobile in the parade. We'd like to do that in Le Claire, too, if they'll let us.

Now as I said, I'm leaving on vacation Monday, but when you find out about the parade question drop a note to Miss Mary Edna Lois Nelson, Scott County Library, and it'll be taken care of. We'd need a big truck - eight feet wide and 12 or 14 feet long, flat bed. A lumber truck is ideal. This is just a suggestion for you to accept or reject as you think best.

Sincerely,

Elizabeth B. Hage
Librarian
